

Guidelines for Master's programme applicants from abroad

1. General information

You have to submit your application online via the web server of the Technical University of Applied Sciences Augsburg ([HIS study portal](#)). **Please note that each Master's programme requires different application documents.** You can find information about this on the respective websites of the study programmes (<https://www.tha.de/en/Master-Programs.html>). You must submit the entire application to the TH Augsburg within the application deadline. This is only done digitally via the online application portal. An e-mail with possible file attachments will not be accepted and documents cannot be submitted by post or in person.

Application forms that are not digitally available to the Technical University of Applied Sciences Augsburg or that do not include the required documents in full will not be considered!

For each application in a degree programme you have to fill in a separate online application and hand it in to the Technical University of Applied Sciences Augsburg together with all documents. References to other applications cannot be considered.

2. Application period

The current application periods can be found on our homepage:
<https://www.tha.de/en/Application.html>

Applications must be uploaded together with the required documents to the Technical University of Applied Sciences Augsburg online application portal by the closing date for applications at the latest! The deadline is a cut-off date.

3. Responsible office for application

Your application documents must be submitted completely digitally. Documents sent by post will not be considered. Unfortunately, it is also not possible to hand in your documents in person.

If you need to submit additional documents, you can also do so via our online system.

5. Application procedure

Step 1: Online application form & Pre-examination documentation (only Master IBF, PMG, MA, IMS, MMD, AR, INS, MPR, MMU, MSR)

You complete the online application form and upload it to the application portal.

Please make sure you remember the applicant number you entered on the online form. You will need this number if you need to submit additional documents.

If applicable: Pre-examination documentation via uni-assist e.V. (can take up to 6 weeks!)

Step 2: Add all required application documents

Now, in addition to your online application, you must upload all documents and proofs to the portal by the deadline.

Please note:

- If you are applying for more than one degree programme, you must complete the online application form for each degree programme and also enclose all documents for each degree programme!
- Only applications that have been submitted in full to the TH Augsburg in the online portal will be considered! Filling out the online application form alone is not sufficient.
- Questions regarding the content of your application and the admission requirements will only be answered in the faculty of the respective Master's programme.

Step 3: Upload the application documents

Your application documents must be submitted completely digitally. Documents sent by post will not be considered. Unfortunately, it is also not possible to hand in your documents in person.

If you need to submit additional documents, you can also do so via our online system.

Please note:

Applications must be submitted by the end of the application period stated on page 1 at the latest. The application must be uploaded to the online portal together with the required documents by the end of the application period stated on page 1 at the latest. This is a cut-off deadline.
