Living in SEOULTECH

SeoulTech only guarantee Sunglim dormitory room to exchange students. Please note that there is **very few** international hall quota and the previous residents have a priority to stay at the same room for the consequent semester, it will be **very slim chance** to be assigned to the international hall. In this regard we will only receive a waiting list for international hall from the accepted students after the application result is announced. We can guarantee Sunglim dormitory room but we do **NOT guarantee** the international hall. There is no kitchen at the Sunglim dormitory room, if you need a kitchen we highly recommend you find other accommodation off campus.

Number of exchanges students

Due to accommodation and course registration issue, SeoulTech decided to implement a strategic enrollment limitation from 2024 academic year. This move is driven by our commitment to maintaining high standard of education, fostering a conducive learning environment, and ensuring that each of students received personalized attention and support from SeoulTech. We will try to maintain the number of inbound and outbound exchange students. If SeoulTech students haven't joined your exchange program in the last two semesters, we will offer only **1(one)** open seat for partner university. Please note that we are not able to accept more than **2(two)** students from each of partner universities per semester. **If you are uncertain about the quota, we highly recommend you to contact SeoulTech in advance before beginning your selection process.**
