of companies**

05

Get together

connect@tha.de

**@internationaloffice
@careerservice**

As part of the THA_connect project, which is funded by the DAAD program “FIT – Förderung internationaler Talente” (Support for International Talent), we warmly invite you to the “Ready to Take Off” event at Augsburg University of Applied Sciences.

Our networking event brings together the international diversity of THA and the innovative strength of its technical and non-technical degree programs. It connects students, researchers, and companies to share ideas that transcend borders.

➤ **Aim of the event**

Our goal is to provide practical insights and develop new forms of collaboration between students and companies, in order to facilitate the transition into the German job market and create long-term career prospects.

➤ **What awaits you**

- Direct contact with STEM students – both international and national
- Networking with other regional players in the aerospace industry
- Opportunity to present your own company visibly (e.g. through short pitches, information stands and job walls)
- Positioning as an attractive employer for qualified young talent
- Increased visibility through accompanying PR and social media activities
- Insights into the university's innovative projects and potential for future collaborations
- Contribution to strengthening and increasing the visibility of the aerospace community in the region

➤ **Language**

The event will be held in **English**.

If you are interested in participating or would like further information, we look forward to hearing from you.

Together we want to develop a format that inspires, connects and opens up perspectives – **Ready to Take Off!**
