LEARNING AGREEMENT ERSTELLEN

Please **select your mobility type**. Choose carefully, if you pick the wrong one you'll have to start over.

Semester Mobility

Discover a new culture and gain new experiences by going on **traditional academic mobility of between 2 and 12 months** at another higher education institution! Be sure to check out the possibility to upgrade your mobility experience with optional virtual components (e.g. online courses) next to your academic experience on campus.

Blended Mobility with Short-term Physical Mobility

In case regular semester mobility is too long or otherwise inaccessible for you, experience short-term blended mobility! This format foresees between **5 and 30 days of physical mobility** at another higher education institution **combined with a compulsory virtual component**.

Short-term Doctoral Mobility

Develop your skills and find contacts by going on **short-term doctoral mobility of between 5 and 30 days** at another higher education institution! To enhance the synergies with Horizon Europe, doctoral mobilities can also take place in the context of Horizon Europe funded research projects.
